

Patient Request for Restrictions on Uses and Disclosures of Protected Health Information

You have the right to request restrictions on the way we use and disclose your protected health information for treatment, payment or health care operations. You may also request limitations on how we disclose information about you to family or friends involved in your care. We are not required to agree to your request for restriction, and in some cases the restriction you request may not be permitted under law. If we do agree, we will be bound by our agreement unless the information is needed to provide you with emergency treatment or to comply with the law. To request a restriction, please complete and return the form below.
